Street Children Ministry in Cambodia**

Happy Easter!

Dear Friends.

Happy Easter 2017! The season brings renewed joy and inspiration to our dear children here in Cambodia.

As you see the pictures during our Easter celebration, The Street Children Ministry of the Church in Cambodia joyfully celebrates. There is the promise of a more meaningful and successful ministry for the deserving children and their families.

The joy that you see in their face are just signs of transformed life, Christian life being concretized as they enjoy our love through the manifestation of your gifts and support to them.

Thank you for your prayers. Thank you for your financial support. Without you, this ministry to the poorest of the poor will not be possible. Like the joy of Paul to the Church of the Corinthians, I also extend my gratitude to God for you. He said and I quote. *"Thanks be to God who always caused us to triumph in Christ and through us spreads the fragrance of the knowledge of him everywhere. For we are the aroma of Christ to God among those who are being saved and among those who are perishing."* 2 Cor. 2:14, 15. I as missionary could have not done anything without you. And for me, it is a blessing to serve these underprivileged children.

Here again, in the pictures that we send, you see how happy they are as they dance, sing, play and participate in the Easter drama of salvation. We are truly blessed, you and I and the children and their families. May these blessings be multiplied as we continue praying, helping, sharing our love to all who are in need. We send our love to all of you.

Happy Easter and Happy Khmer New Year 2017.
